

# It's Time to Renew Your Membership

## Right Book, Right Price, Right Reason

Thank you for renewing your membership with Friends. Your support, even when in-person sales were on hold, allowed us to continue our contributions to the Pima County Library. So that you don't miss any of our sales, including the highly anticipated half-price member sales, we are enclosing our bookmark with all our sale dates. And as an additional thank you for your renewal, you will receive a discount card for 50% off 3 books! Shopping online is also available: [www.friendsbookbarn.com](http://www.friendsbookbarn.com).

Your membership renewal is important. Through memberships, book sales and gifts, Friends supports and promotes the Library in our community. Your membership provides funds for special programs including early literacy, summer reading, GED preparation, and lifelong learning.

Volunteers are the backbone of Friends' operation. If you are currently volunteering, Thank You! If not, please consider one of our many volunteer opportunities listed on our web site. Encourage friends to attend volunteer training which is offered monthly. If you have questions about volunteering opportunities, please call us at (520) 795-3763.

Clip the form below and send with your check made payable to FPCPL or your credit card information: Your new membership card will arrive in the mail.

Thank you for your continued commitment and support, and **thank you for being a Friend.**
